Kadamba Marketing Co-operative Society

I learned how to interact with various departments.

Analysed financial data and prepared reports.

#### Project of social concern in NGO (July 2022)

#### Project On Malnutrition Under the Age of 5 Years Old Children.

Working in a team demands us to talk with different types of people with varied natures and behaviours. Dealing with everyone with humility and not losing your temper is a quality that can only be learned by spending time with people working together. This develops great interactive skills, develops a sense of responsibility.

### Hobbies

- Chess
- Gardening
- Video Editing

### Achievement

- Got First Prize in Chess Competition Conducted by Our College (2023).
